From

Engineer-in-Chief, Haryana
Public Health Engineering Department,
Panchkula.

To

All Superintending Engineers,
Public Health Engineering Circles in Haryana.

Memo No. 90571-85 PHED/Urban Dated: 04.10.16

**Subject : Spread of Vector Borne diseases.**

Please refer to the subject noted above.

Vector Borne diseases are on rise in State of Haryana. To avoid Vector Borne diseases all precautation be made. It is hereby directed to ensure proper chlorination in drinking water at source as well as at the tail. All insanitary water connection should be disconnected immediately and it may also be ensured that no water supply connection should run without tap/float. It may also be ensured that there should be no stagnant water in the premises of any Public Health installation due to leakage/wastage.

These instructions may be brought to the notice of all concerned.

Executive Engineer (U),
For Engineer-in-Chief, Haryana,
PHED, Panchkula 3/10
