Memo No. 6334-48
Dated, 10th August, 2009

-PH/Plg.

Subject:- Tender Notices.

It has been noticed that tenders of value below Rs. 5 lacs are being received and opened without proper advertisement on the office notice boards or through written communication. As a result, a number of executing agencies remain ignorant and are deprived of the chances of tendering.

In order to maintain a healthy procedure of tendering and also to ensure transparency and competitive rates, all tenders of value beyond Rs. 50,000/- shall henceforth be put on the website. A copy of the tender notice will invariably be downloaded and will be kept in record in the Division office. In case the tender is to be decided by the next higher authority, a copy of the downloaded tender notice shall also be sent along with the tender case.

These instructions should be brought to the notice of all concerned and should be followed meticulously.

Superintending Engineer (Planning),
For Engineer-in-Chief, Haryana, PHED.
