Memo No.38001-15 -PHED/Urban Dated: 28-04, 2016

Subject : Providing Water Supply in towns of Haryana.

Please refer to the subject noted above.

It is intimated that as a policy decision, water supply is provided by Public Health Engineering Department to the public residing in towns of Haryana for drinking purpose only. There are few instances where the estimates are received from Circle offices for purposes other than drinking.

Therefore, in view of policy decision, instructions are hereby reiterated not to entertain any such estimate from any other department/ board/ organization for providing water for purpose other than drinking.

This may be brought to the notice of all concerned.
