Public Health Engineering Circles,  
Haryana

Subject:

Memo No. 69512-526/PHE/CD Dated 09-08-2022  
Regarding Installation of Solar Power Plants on clear space of existing  
water works / STPs constructed in Mahagram villages of PHED.

Kindly refer to this office letter no. 38348-362 – PHE/CD-1 dated 02/05/2022 and  
letter No. 55507-521-PHE/CD 1 dated 24.06.2022 on the above cited subject.

The gist of discussions, relating to Solar power plant projects, during 55<sup>th</sup> WSSB  
meeting held on 20.07.2022 is as under:

**“ACS, PHE apprised the members that department would execute the Solar  
plant projects in all the Mahagram villages and major water works / STPs having  
sufficient open area. The work will be carried out under CAPEX mode and the cost of  
Solar power plant will be included in the major projects in future. President WSSB  
directed to expedite the installation of Solar power plants so that there is considerable  
saving in energy cost.”**

In view of above, it is requested to take necessary action as per the decision  
taken in the 55<sup>th</sup> WSSB meeting and submit estimates for installation of Solar power plants in all  
the Mahagram villages and major WW / STPs having sufficient open areas immediately.  
Supplementary estimates for those Mahagram villages be prepared where the estimates for  
water supply and sewerage system stands already approved. But, where the estimates for  
water supply & sewerage system are under preparation, there the provision of solar power  
plants should be included in the respective estimates.

Superintending Engineer (Rural)  
For Engineer-in-Chief, Haryana

Endst. No. 69530-535/PHE/CD Dated: 09-08-2022  
*PS* 09/08/2022

A copy of the above is forwarded to all the Chief Engineers, Head Office for  
information, please. I have been directed to request that the progress of solar power plants as  
per the decision taken in the 55<sup>th</sup> WSSB meeting may kindly be monitored closely so that  
sufficient progress is made by the next WSSB meeting.
