

The Engineer-in-Chief, Haryana,
Public Health Engineering Department,
Panchkula

To

All Superintending Engineer/ Executive Engineers,
Public Health Engineering Circle,
In Head Office

Memo No. 11719-29 -PH/E-1 dated 30/12/2010

Sub:- Regarding allocation of works/duties to the Mechanical
Divisions

Reference to the subject noted above.

It is intimated that presently, following types of work are
being done by the Civil as well as Mechanical Divisions:-

1. Inspection of all types of new machinery at the time of
purchase at manufacturers premises.
2. Installation and commissioning of the Central Air
Conditioning Plants.

It has been observed that sometimes the specifications of
machinery are not framed properly while purchasing through DS&D and
while preparing DNITs of machinery. As a result of which difficulties
arise while evaluating tenders of machinery as well as during installation
of machinery.

In order to improve the situation, the above mentioned
works shall henceforth be transferred from Civil Divisions to Mechanical
Divisions.

Dy. Superintendent (G)
For Engineer-in-Chief, Haryana,
Public Health Engineering Department
Panchkula 

Endst.No. 11730-50 -PH/E1 dated:- 30/12/2010

A copy of the above is forwarded to the following for information
and immediate compliance:-

1. PS to EIC/CE(U)/Project/Rural/Programme.
2. S.E. (Plg.)/Urban/M.M.Cell/Vigilance/Project/Mech.
3. All Officers/Heads of Sections in Head Office.

Dy. Superintendent (G)
For Engineer-in-Chief, Haryana,
Public Health Engineering Deptt.,
Panchkula
