From

The Director,
Water & Sanitation Support Organization,
O/o Public Health Engineering Department,
Panchkula.

To

All Executive Engineers,
Public Health Engineering Divisions in Haryana.

Memo No. 2638-2693 -WSSO/EE
Dated Panchkula the, 26-7-2012

Subject:- Awareness Campaign on Water Conservation in villages.

Kindly refer to the subject cited above.

As you are aware that IEC & Equity Consultants have joined at all the District Head Quarters except Rohtak and Faridabad. The instructions to be followed while carrying out awareness campaign in villages have been issued separately.

During the campaign by the consultants with the help of PHED officials the following have been observed:-

1. The villagers and community is unaware of the development or other schemes implemented by State Govt.
2. Although the villagers are ready to take private Water Connections but a facility to receive the application forms and sanction private water connections in the village itself is required. The villagers are not ready to visit PHED offices to get their water supply connections sanctioned.
3. The villagers have very poor image on maintenance part of water supply schemes.
4. The EEs, SDEs and JEs are not fully cooperative for conduct of awareness campaign in the villages.

Contd...2

For effective campaign on Water Conservation the following may be ensured:-

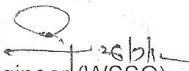

1. The SDE and JEs shall cooperate with the consultants during the Water Conservation Awareness campaign.
2. The EEs shall chalk out a programme wherein the SDEs with staff shall visit the village to collect the forms for release of water connections, connection fee and also ensure on the spot sanction. Similar arrangements need to be made for collection of revenue.
3. The maintenance of Water Supply schemes shall be undertaken as per the requirement in consultation and supervision of Village Water and Sanitation Committees.

Executive Engineer (WSSO)
For Director, WSSO.

Endst. No. 2694 - 2730 -EE/WSSO Dated: 26/7/12.
